Identity Politics in the 2016 Election | Kaggle

A shift in tone, rhetoric, and logic has moved identity politics away from inclusion – which had always been the Left’s watchword – toward exclusion and division. As a result, many on the left have turned against universalist rhetoric (for example, All Lives Matter),...

How America's identity politics went from inclusion to ...

We hear a great deal these days about the right’s hostility to “identity politics.” In this framing, the election of 2016 was a populist backlash of ordinary voters against an aberrant left too concerned with narrow questions about niche groups and out of touch with the troubles of Middle Americans. The good news is that it simply isn’t true that identity politics represents the end of ...
