Theodore Sturgeon (1918–1985) is considered one of the godfathers of contemporary science fiction and dark fantasy. The author of numerous acclaimed short stories and novels, among them the classics *More Than Human*, *Venus Plus X*, and *To Marry Medusa*, Sturgeon also wrote for television and holds among his credits two episodes...

Theodore Sturgeon (Author of More Than Human)

More Than Human —Samuel R. Delany called him “ the American short story writer,” and at one point in the 1950s Sturgeon was reportedly the most anthologized living author on the planet. Readers of this novel can see the impact of this focus on shorter forms; Sturgeon’s method of shaping it is atomistic.

American science fiction writer who published under the legal name Theodore Sturgeon - he changed his name following his mother's divorce. He was born on Staten Island, New York and sold his first short story in 1938. He is perhaps best known for the novel 'More Than Human' (1953) and his short horror story, 'IT', ...

Theodore Sturgeon - IMDb

More Than Human describes how we should use better brainpower to progress into gestalt groups that collaborate in a fluid, improvisational manner. Had Sturgeon taken his concept from biology rather than psychology, he might have hit upon the idea of stigmergy , which describes how, like an ant colony, the Internet is made up of many people working together.

More Than Human by Theodore Sturgeon (1975, Paperback) for ...

More Than Human tackles the immense question, not of why we're here or where we came from, but of where we could end up. It posits a new phase of evolution that may not strictly be realistic under what we currently understand from science. It's hard to conceive of the kind of selection pressures necessary to produce something like Homo gestalt, and indeed, Sturgeon's story here obscures the ...
