## **The informed argument / Robert P. Yagelski, Robert K ...**

Presenting an informed argument, means being informed! You need to know what your major points are for your argument. For example, children should watch less television because (a) it gives them more time to read, do homework and exercise, (b) it encourages family interaction, and (c) is better for their eye health and overall well-being.

CHAPTER 1 OF THE INFORMED ARGUMENT. Almost anything can be argued, but not everything should be. To make an argument is to engage in a social activity that can have consequences on the writer or other people. It is very important to consider why we engage in argument. People argue for many reasons, therefore the complexity of arguments can make ...
