There are many types of jobs available in the music business. Careers can be found in retail, working with individual artists, publishing, recording, and more. Those with a well tuned ear and a business or legal background are most suited to a profession in the music business.

What Kinds of Jobs are Available in the Music Business?

The biggest mistake artists make when it comes to procuring financing for their music ventures is the lack of a business plan. Artists and musicians must understand that music is a business and should run like one. Once you've decided that music is your business, you must set aside time to write out a solid business plan if you want to grow as a business, attract investors,

Others object to the whole "band branding" notion that makes 360 deals so potentially profitable for labels. An example is the all-female burlesque-group-turned-music-group, The Pussycat Dolls. The expansion and branding of the group by music business veteran Jimmy Iovine and A&M Records president Ron Fair was a huge success, but the quality of the music didn't necessarily fit into the big picture.

How 360 Record Deals Work in the Music Industry

The image of an attractive woman in the music industry teaches young people that their sole value comes from their sexualisation. Little Mix's Black Magic music video (shockingly nominated for a BRIT award this year) is an excellent example of this. The four girls start the clip looking 'geeky': in glasses,
